

Business and Employment, Traffic, Transport and Roads

How can we improve on the ways we all get around?

Public Meeting Comments:

Neighbourhood amenities for Longstone.

Pub is much needed in the Village!!

Pub and Church lack of parking.

Restricting the number of cars coming into the village on roads not fit for greater influx of traffic.

Parking close to the Church is needed.

Village Car Park needed.

Bus shelter at Longstone.

Local PCSO to control parking.

Any additional developments should take account of the limited access the village roads have.

Reduce the speed limit going through the village, that would be great, please.

Working Party Meeting:

Comments	Actions
<p>Parish-Who are the bigger employers? What kind of work do most people do? List categories in order of most to least significant.</p> <p>Agriculture Rural businesses – Gardening, tree work Building – Carpentry, Electricians, Plumbers, bricklayers Mechanics Hospitality – pub, other local restaurants etc. Tourism – waitresses, cleaners, food and drink etc. Shop</p>	<p>Shop to provide shopping orders for holiday lets and to stock local produce. Local milk in bottles/vending machine? Community garden – share produce Communal apple pressing</p>
<p>What are the barriers to being self-employed in St Mabyn Parish? How can these barriers be eliminated?</p> <p>Lack of office space Location the need to travel long distances Mobile phone reception and broadband Lack of public transport</p>	<p>Look at broadband levels in village to be able to support local businesses and for the self-employed Need small business units for local crafts</p>
<p>What do you feel about the current transport arrangements for the Parish?</p> <p>Little knowledge of bus routes etc. minimal More regular buses to local towns would be an advantage but would they be used? Majority of all ages in rural villages drive everywhere</p>	<p>What public transport services are available find out bus times and routes</p>
<p>If housing development happens in the future how might this impact on current traffic and transport arrangements? How could the impact be averted or lessened?</p> <p>Increased traffic through village</p>	

Business and Employment, Traffic, Transport and Roads

How can we improve on the ways we all get around?

<p>Increased number of parked cars Car park areas for residents and for amenity uses e.g. shop Redirection of traffic flow one-way i.e. road from Scout Hut through to village hall</p>	<p>Look at potential car parking areas to reduce parked cars in village. Yellow lines on specific roads to stop parking e.g. beside pub car park</p>
<p>Roads Turning right at Longstone is dangerous The speed restriction at Longstone needs to be lengthened</p>	<p>Introduce a one-way system – in from Longstone and out by Tredinnick. Increase the length of the speed restriction at Longstone to reduce speed.</p>

Working Party Meeting 19th June 2018

Comments	Action
<p>Traffic Introduce a one-way system through St Mabyn, either short or longer to incorporate the hills? Longstone Cross Roads Possible roundabout? South of Cross Roads on B3266 with spur roads behind housing, in the direction of St Mabyn and Blisland. Or Traffic Lights? The speed limit area should definitely be extended and monitored Upgrade the hill past Tregarden to Dinham Bridge.</p>	
<p>Car parking Possibly take in ½ of the Playing Field, the lower portion that is currently a football field – could be contentious. Or, consider the higher portion of the Playing Field. Look at the existing Diocesan proposal for land to be made available behind the school and the village hall for a car park.</p>	
<p>Power Infrastructure to take increased solar power generation. Western Power is responsible for the infrastructure.</p>	
<p>Employment Currently self-employed: builders, decorators, gardeners, carers Agriculture Hospitality</p>	<p>Would the Village welcome a rural workshop/studio/hub facility, with high-tech, meeting space for clients etc.? Could this be funded by a developer planning new housing?</p>

Business and Employment, Traffic, Transport and Roads

How can we improve on the ways we all get around?

<p>School (Village is largely residential and retired people) Employment at the Holiday Park – agency? ... and cleaning/caring – agency? Village Shop/Community Shop needs a Post Office facility. Make it a worthwhile shop with nice products and giving a nice experience when used.</p>	
<p>Working Party future meeting</p>	<p>The Group aims to produce 5/6 questions for the next Public Survey and will meet on 4th July @ 2pm.</p>
