

Bodmin & Wadebridge Neighbourhood Policing Team Newsletter

November 2025

I wanted to provide you with an update regarding Road Safety Issues, which people around your area have highlighted as an issue of concern on the priority survey.

This vehicle has been seized by officers from Bodmin Neighbourhood Team whilst they were on hotspot foot patrol in Bodmin Town centre. The vehicle was seen under suspicious circumstances and it was seized (with the assistance of a colleague from Roads Policing Unit) as the male suspected of having been the driver did not have insurance or a driving licence.

A short while earlier, another vehicle attempted to evade an unmarked police vehicle at Aldi car park. The driver made off from police on foot but was located and arrested having failed a roadside drugs test - he will also now be prosecuted for a variety of offences. #HotspotPolicing

A report of a vehicle swerving all over the road and travelling slowly on the Glynn Valley. Response officers attended and the driver was found to be driving without a valid licence and with no valid insurance. The driver was reported, and the vehicle was seized. Please see the attached image of the vehicle during/after seizure.

"Housing officers from Cornwall Council will now be joining us at our community engagement surgeries in Padstow and Wadebridge. Our next surgery will be at the Hub in Padstow on Wednesday 12th November 10:00 till 12:00 and at the Betjeman Centre on Wednesday the 26th November 10:00 till 12:00.

Come and talk to us to discuss any issues you may be having."

PCSO Scott Wheadon 30786

Bodmin & Wadebridge Neighbourhood Policing Team

The neighbourhood team, fire brigade other local businesses attended St Breock Primary School with their vehicles, to help years 1's study wheels and axels. It was a great afternoon, the children got to see and sit in tractors, fire engines, a vet car and two different police vehicles. It was the first time many of them been so close to these types of different vehicles and were surprised by how big or how much equipment was carried in them. The children seemed to love the event that came to an exciting conclusion with blue lights and sirens!

Fireworks aren't toys

Getting in touch.

We're always here if you need us – but if it's not an emergency (i.e. a crime isn't happening right now and no-one is in immediate danger) then reporting online will save you time and means we have all the information we need to respond appropriately.

Scan the QR code below to take you to our website home page and choose one of the blue boxes to find the form that's right for you.

There are situations which look like they should be police matters, but which are actually dealt with by other agencies, such as noisy neighbours, dog fouling, fly tipping and more. To avoid delays, always visit our website first to see if this is an issue which is more appropriately dealt with by another agency.
