Policing Team Newsletter

February 2026

Some Proactive policing from Bodmin Neighbourhood Team.

We have obtained two partial closures on addresses in Bodmin. This was done to safeguard the tenants from cuckooing and give us time to work with Housing.

The neighbourhood team also located a male wanted on warrant for exposure. He decided he didn't want to open the door to officers however, after removing the front door, officers found him hiding in his bedroom.

We received reports of Darren TOMKISS breaching his Criminal behaviour order in Bodmin town centre. He was located by the Street Marshalls who evidenced the breach using their body worn video cameras and this evidence was crucial in proving his identity. The team then located and arrested him on Cross Lane in Bodmin. While in custody a quantity of Class A was also located in his possession. TOMKISS appeared at Bodmin Magistrates Court morning and was found guilty of both offences.

Revoked license since February 2004, (test never claimed) no insurance, no MOT since July 2025 and no tax. Seized and reported for court attendance.

Getting in touch.

We're always here if you need us – but if it's not an emergency (i.e. a crime isn't happening right now and no-one is in immediate danger) then reporting online will save you time and means we have all the information we need to respond appropriately.

Scan the QR code below to take you to our website home page and choose one of the blue boxes to find the form that's right for you.

There are situations which look like they should be police matters, but which are actually dealt with by other agencies, such as noisy neighbours, dog fouling, fly tipping and more. To avoid delays, always visit our website first to see if this is an issue which is more appropriately dealt with by another agency.
